

Moms, Dads, Grandparents and Caregivers of Children Ages Birth to Five

Please come to
Early Childhood Support Day
April 20, 2017, 12:00 PM to 4:00 PM
at
“YES WE CAN” COMMUNITY CENTER
141 Garden Street, Westbury, NY 11590

Free Workshops

- 12:30PM-1:30PM Assistive Technology - Its' role in Early Intervention and in Preschool Special Education**
- 2:00 PM-3:00PM Organizing Your Records - for your child's Early Intervention services, Preschool Special Education, and medical needs.**
- 1:30PM- 2:00PM Learning about Early Intervention - Nassau County Department of Health Office of Children with Special Needs**

- Free Giveaways and Snacks
- Art and Play Activities for Young Children
- Talk with Spanish Speaking Child Specialists; we have resources for other languages too!
- Learn about Infant/Toddler Development, Behavior Concerns, Inclusion, Medical Screening and More!
- Ask us about Early Intervention, Preschool Special Education & Least Restrictive Environment

We understand the things that parents and caregivers of young children worry about. We can help with your concerns about: Safety, education, health and the social-emotional wellbeing of your children.

Sponsored by:
